OVERCOMING BREAST CANCER WITH STYLE

ABOUT THE JILL FOUNDATION:

Thirteen years ago, Artistic Hair started a journey to help raise money to fight breast cancer. To date, we have raised over \$100,000, donating all funds to The American Cancer Society. Six years ago, when we lost our friend and coworker, Jill Kester, to breast cancer our goal became very clear. We needed to create a foundation that would specifically help hair stylists once they were diagnosed with breast cancer. That is why **The Jill Foundation** was created.

All funds collected by **The Jill Foundation** are distributed directly to hair stylists in our community. Our plan is to start locally, serving hair stylists and their dependents in the city of Orange.

MISSION STATEMENT:

The Jill Foundation has been set up to give those diagnosed with breast cancer, specifically hair stylists, a source for some financial and moral support while fighting this terrible disease. **The Jill Foundation** wants hair stylists to know they are not alone when faced with a breast cancer diagnosis.

UPCOMING EVENT:

Artistic Hair's 13th Annual "Cut for the Cure" will be held on Sunday, October 17, 2010 from 9 am - 3 pm. All proceeds will be donated to **The Jill Foundation**.

HOW TO DONATE:

Checks made payable to "**The Jill Foundation**" or online at www.thejillfoundation.org.

All donations are tax deductible.
